OPERATION CHRISTMAS CHILD

This year we will start our collection in February, up until the end of October I will be placing an insert in the bulletin twice monthly to let you know what we will be collecting for that month. Along with the monthly suggestions I am providing a list of

items that will benefit our shoe boxes. All of us go out for a meal or pick one up for home may I suggest you keep the following for the shoe boxes. *Examples:* Straws with the paper over. Covered plastic ware, containers that are reusable with lids, Crystal light containers with lids. Plus, any crafters willing and able to make items like the hair bows and tote bags like last year please feel free. I am able to provide you with a list of additional items you could make if you would like.

For the month of February let's collect:

Play necklace, play watch, sunglasses, play jewelry, hair bows, bandannas, back packs, lip balm (non-liquid) compact mirrors. If you come across and winter clearance items such as hats, gloves and mittens, and scarves.
